Our features come standard at no additional cost to you!

#### Shelves

Glacier models come with corner shelves - one equipped with beverage holder.

#### Utility Hook

Utility hook secures personal items from a heavy-duty utility belt, rain gear, cold weather overalls to purses and coats.

#### Tank , Skid & Foot Pump

Slip resistant skid with integrated side draining system allows water to drain to the sides eliminating puddles in the front of the unit. Tank design allows for maximum cabana space and an elongated seat providing a more user friendly experience.

#### Springs

Heavy-duty stainless steel spring system for years of maintenance free service.

#### Integrated Door System

Our three part door system is made up of a fiberglass door rod, three high density plastic bushings and two stainless steel springs for years of worry-free services.

#### Door Hasp

Lockable exterior door hasp helps control usage of the unit.

#### Three-roll Paper Holder

One piece design keeps paper dry and will accept all style rolls. Keyed lock included.

#### Shattaf Utilizing Fresh Water Supply for self cleaning

The Shattaf is equipped with hand-pump which utilizes fresh water for self-cleaning.
